
EMPLOYMENT / WAGE VERIFICATION

Thomas & Thorngren offers a safe, efficient and user friendly Employment & Wage Verification service.

EMPLOYERS BENEFIT

- *T&T takes the hassle out of the equation for employers. Why tie up valuable in-house resources when T&T can handle the task at significant cost savings?*

PAST & PRESENT EMPLOYEE BENEFIT

- *T&T provides accurate and timely information to inquiring parties with a user friendly system. If there is a special need or question, our clients have the luxury of immediate access to a representative.*

Financial and Leasing inquiries are processed promptly at no cost to the employer. Each employee has their own ID card with easy to follow instructions. Most importantly, there are never any per employee or PIN charges to the employer.

Social Service inquiries are handled efficiently and thoroughly. T&T delivers accurate information the first time during this critical employee relations exercise.

DATA TRANSFER

- *Flexibility is key in the T&T Employment/Wage Verification Program. We can accept information in a wide variety of formats and will work with you to find the easiest solution.*

SECURITY & PRIVACY

- *Our SAS 70 certification guarantees that your data is safe & secure.*
- *As a client of Thomas & Thorngren, your data will NEVER be for sale under any circumstances.*
