## **Avoid Paying a Penalty UI Tax Rate for 2011**

June 11, 2010

Many state UI statutes require that an employer with an outstanding balance due on the computation date must be assigned a penalty tax rate for the next calendar year. In 36 states the computation date is June 30 or July 1.

We encourage you to check for any outstanding assessments, debit memoranda, or other statements of balance due from a state unemployment agency, and make any necessary payment by June 30.

If you need assistance in resolving an issue with a state UI agency, please do not hesitate to call us at (615) 242-8246 and ask for the Rate and Audit Department.
